The Qualities of Ambrosia Maple

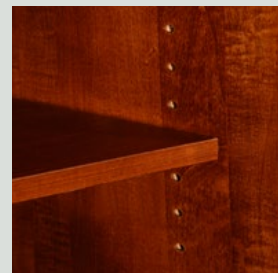

Used in our Champlain Collection, the grain of Ambrosia Maple has a very distinct and colourful appearance. Each piece is unique thanks to the Ambrosia beetle. We do not fill the pin holes found in the wood surface their presence adds character and makes each Champlain piece unique.

Maple Finish Choices

All BG Furniture stains are carefully applied by hand in multiple steps to enhance the natural beauty of solid maple. To preserve the beauty found in our solid wood furniture, we utilize the highest quality varnish to protect the furniture from UV rays and common house hold spills. A low sheen finish option is available, giving your furniture more of a matte appearance.

Finish colours of this sample is representative of colour only. Due to variations in the colour of natural wood and the finishing process of printed materials we cannot guarantee that our furniture finish will be the exact colour match. Wood finish samples are available from your retailer to help with your finish selection. *Antique finishes are available at an additional charge, make sure to specify choice of rub through colour from our selection of maple finishes.
