## Canadian.

Solid wood furniture built for Canadians.

We are a Canadian owned & operated company. There is a sensibility and sensitivity found in our furniture, which is a direct result of the hard working, dedicated individuals at our manufacturing facility located in Walkerton, Ontario.

## Craftsmanship.

Focused on quality craftsmanship.

We are very different from the mass produced furniture commonly found in the market place. We use solid wood and traditional joinery methods to ensure durable furniture that can be handed down from generation-to-generation.

## Customize.

Furniture built to suit your style.

We build each piece of furniture to order, allowing you to tailor your furniture to suit your style. A variety of finishes, decorative hardware, upholstery choices, size and profile options are available.

## Collections.

Design solutions for every project.

We offers many collections from modern to traditional. Within each collection, an extensive range of items can be created, resulting in beautiful and functional furniture.

## WOOD FINISHES

BG stains are caringly applied by hand, enhancing the natural beauty of solid maple. We utilize the highest quality varnish to protect the furniture from UV rays and common house hold spills. A low sheen finish option is available, giving your furniture a matte appearance.
