The Panel Bed is available in Double, Queen and King sizes. The footboard is available in a low height option of 17"H along with the 29"H standard footboard shown above. Under bed storage drawers blend into the bed when closed and creates additional storage space to our room.

Storage drawers are a great way to add some extra storage. Double sized beds can be ordered with either right or left storage drawers. King & Queen sized beds are available with drawers on both sides.

Eliminate the need for a box spring foundation. Storage beds include a rigid metal bed frame with a solid wood suspension system to support the mattress.

Canadian.

Solid wood furniture built for Canadians.

We are a Canadian owned & operated company. There is a sensibility and sensitivity found in our furniture, which is a direct result of the hard working, dedicated individuals at our manufacturing facility located in Walkerton, Ontario.

Craftsmanship.

Focused on quality craftsmanship.

We are very different from the mass produced furniture commonly found in the market place. We use solid wood and traditional joinery methods to ensure durable furniture that can be handed down from generation-to-generation.

Customize.

Furniture built to suit your style.

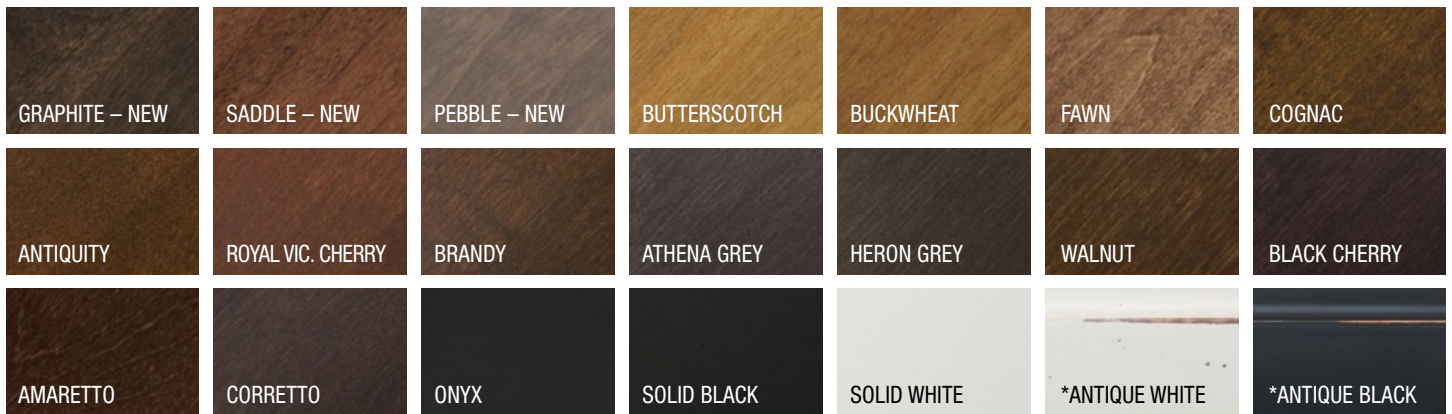

We build each piece of furniture to order, allowing you to tailor your furniture to suit your style. A variety of finishes, decorative hardware, upholstery choices, size and profile options are available.

Collections.

Design solutions for every project.

We offer a range of collections from modern to traditional. Within each collection, an extensive range of items can be created, resulting in beautiful and functional furniture.

Maple Finish Selection. BG stains are carefully applied by hand, enhancing the natural beauty of solid maple. We utilize the highest quality varnish to protect the furniture from UV rays and common household spills. A low sheen finish option is available giving your furniture a matte appearance.

*Antique finishes are available at an additional charge, make sure to specify choice of rub through colour from our selection of maple finishes. Finish colours in this brochure are representative of colour only. Due to variations in the colour of natural wood and the finishing process of print and digital materials we cannot guarantee that our furniture finish will be the exact colour match. Finish samples are available from your retailer.
